SUFFOLK TOURISM RELEASES SECOND VOLUME OF SUFFOLK-THEMED ACTIVITY BOOK

SUFFOLK, VA (August 14, 2020): Dog days of summer got you down? Suffolk Tourism is pleased to release the second volume of their free Suffolk-themed activity book for children of all ages. Children can color, connect the dots, and conquer more word searches and crossword puzzles, while simultaneously learning about Suffolk's attractions, eateries, and shops. Each page offers fun learning exercises, designed to create a virtual Suffolk visitor experience during the ongoing COVID-19 health crisis. While a downloadable copy is available now at https://issuu.com/suffolktourism/docs/suffolk_activity_book_volume_2, printed books are also available inside the "Free Little Libraries" at the Suffolk Visitor Center and Seaboard Station Railroad Museum. Discover more Suffolk information at VisitSuffolkVa.com.
